## FOR IMMEDIATE RELEASE

**Ahmedabad, India – 1 May 2025:** TEDxThaltej Youth has officially announced an update to its 2025 speaker lineup, confirming the withdrawal of Ms. Krupa Nishar, who was previously listed as a speaker for this year's edition.

The decision was made following a comprehensive internal review, conducted by the organizing team and content compliance panel, in alignment with TEDxThaltej Youth's structured speaker selection process. As an ISO 9001:2015 and ISO 20121:2024 certified platform, TEDxThaltej Youth holds all speakers and team members to a standard of timely deliverables, open communication, and full engagement across every phase of the curation process.

While we acknowledge and appreciate Ms. Nishar's background and contributions, the decision to withdraw her from the final lineup reflects the importance of maintaining consistency and alignment with the event's internal expectations and global TEDx standards.

The updated list of confirmed speakers will be shared across our official website and social platforms shortly. TEDxThaltej Youth remains committed to curating a powerful and balanced speaker experience for its audience.
